

**Polaris Governmentwide Acquisition Contract Small Business Pool
Solicitation Number 47QTCB22R0001
Preaward Notice for Small Business Programs**

This is a written announcement to all interested parties. This list represents a complete roster of the apparently successful offerors in response to Solicitation Number 47QTCB22R0001 for the Polaris Governmentwide Acquisition Contract Small Business Pool. This announcement fulfills the notice requirements in FAR 15.503(a)(2).

The Government will not consider subsequent revisions of offerors' proposals. No response is required unless a basis exists to challenge the size status of an apparently successful offeror. Only size challenge protests will be considered at this time and they will be referred to the U.S. Small Business Administration. Debriefings will be provided following contract awards, which are planned for later this quarter. Protests not related to size will be considered premature at this time.

Written correspondence may be sent to the contracting officer at polaris@gsa.gov.
