NOTICE OF CORRECTIVE ACTION

Please take notice that on June 12, 2024, the United States Army (Army) tentatively decided to reject all proposals and cancel the solicitation at issue pursuant to FAR 15.305(b), pending confirmation that the Acting Senior Contracting Official for Army Contracting Command Orlando would concur that this decision would appropriately resolve the potential organizational conflict of interest (OCI) involving Seneca Global Services (Seneca), a teammate of Advanced Technology Leaders, Inc. (ATL). This tentative decision was made by the Source Selection Authority, Mr. Lee James, III, Deputy Program Executive Officer, Program Executive Office for Simulation, Training, and Instrumentation.

On June 26, 2024,¹ Dr. Vernon Myers, Acting Senior Contracting Official for Army Contracting Command Orlando, decided that rejection of all proposals, cancellation of the solicitation, and termination of the award to ATL for convenience, will appropriately resolve the potential OCI involving Seneca.

Accordingly, the Army has decided to take the following corrective actions:

1. Reject all proposals and cancel the solicitation pursuant to FAR 15.305(b).
2. Terminate the award to ATL for convenience.

¹ We received notice of both decisions on June 27, 2024.

Respectfully submitted,
